Magnificent Mariner Program

School-Wide Positive Behavior and Intervention Support

*We foster and promote a safe
and positive school environment
that enhances student learning
through teaching and
acknowledging positive behavior.*

What is PBIS?

PBIS (Positive Behavior Interventions and Supports) is a research-based framework for teaching and supporting positive behaviors for ALL students. This school-wide approach to discipline focuses on building a positive and safe environment where all students can learn.

How Does it Work?

Students are acknowledged for being respectful, responsible, safe, and prepared. When they engage in one of the school-wide expectations, they earn an anchor. The anchors are used towards classroom-wide incentives when goals are reached.

Who is a Magnificent Mariner?

Students who are consistently respectful, responsible, safe, and prepared will be nominated by their classroom teacher to be a Magnificent Mariner. They are honored at a breakfast with their family.

Who is a McKinley Captain?

Students, who are in fifth grade and have been a Magnificent Mariner, can be nominated by staff, parents, and peers to be a Captain. Captains are leaders and role models for the school.

I am respectful.

I am responsible.

I am safe.

I am prepared.

I am a McKinley Mariner.
